Opening Day, May 22, 2021

Good day all...

You have likely heard that tennis courts are no longer locked down as of Saturday, May 22 and our courts will be open! See our [website](#) for details.

We are processing applications as we receive them and are diligently working to get everyone into the system.

As you are aware, shoe tags are to be worn or displayed while you are at the club. If your application and payment has been received your shoe tag and information form will be ready for you at the club.

We are implementing a CURBSIDE pickup process for your shoe tag and information form. In order to ensure that your shoe tag and information form is ready, simply sign into the online booking. If you are able to get into the system, your shoe tag will be ready for pickup.

Our curbside pickup will be available during the following times over the weekend:

Saturday May 22, 2021 from 12:00 noon until 3 pm

Sunday May 23, 2021 from 12:00 noon until 2 pm

Monday May 24, 2021 from 10 am to noon and from 1 pm until 3 pm

Please make every effort to pick up your tags during this time.

Thank you
