

BULLETIN #9 - October

CLUB CLOSING

With the 2021 tennis season coming to an end, please take note of the following:

CLUB CLOSING DATE is set for October 23, 2021

As in previous years, the club will be leaving 2 courts available for play after closing date. Courts 2 and 4 will be available for play with members abiding by the following rules:

1. Members will continue to use the booking system to book the available courts.
2. At least one member of the group playing must have a key to the club.
3. If there is no one playing when you are finished your game, you **MUST** lock the club.
4. Members are not to use courts which have been prepared for winter (courts 1,3 & 5).
5. If you have used the lights during evening play, you must turn them off when you leave, of course this assumes you are the last to leave the courts.
6. Do not play on wet courts.
7. Be courteous to oncoming players and ask if they wish to have the courts brushed/lined.

The nets and lines will be removed once it is determined that the weather has significantly changed or the court condition does not allow for safe play. A notice will be posted on the court booking site.

Come out on Saturday October 23rd and help with the club closing. We will need help with the removal of nails from the lines, taking down of windscreens and cleaning the clubhouse.
