
BULLETIN #7

QPTC COVID Easements

Following the Provincial Government's announcement to proceed to Step 2 (Reopening Ontario), Quaker Park Tennis Club will be easing a number of COVID restrictions effective July 15, 2021.

GUESTS

Guests of members are once again allowed to use the facilities. Guests continue to be the responsibility of the sponsoring club member and will be required to sign a waiver prior to attending the club as well as adhere to club policies. Please familiarize yourself with our guest policy as outlined on our website in the **[Member Area Login](#)** section.

FACE MASKS

Face masks upon entering the club are optional. QPTC encourages members to wear face masks in those situations where a 2-meter distance cannot be maintained.

TOURNAMENTS

The Executive will be looking to hold a few tournaments in the latter part of August or early September. Members will be notified of the upcoming tournament plans once they are developed.

REMINDER

The long bench has been removed from the front of the clubhouse to provide a wider and unobstructed access to the courts. In the spirit of COVID distancing, please do not congregate at the front of the clubhouse. You may however move and wait for your court at the northern facing section of the clubhouse.

OPERATIONAL CHANGES

Effective immediately, we have eliminated the 15 minute start time delay when booking courts. All courts will now be available starting at 8:00 am.

LESSONS / CLINICS

A number of lessons and clinics will soon be available to all members. Registration is required for all clinics and lessons. Please access the EVENTS tab of your *Tennisbooking* website to view and register for any of these events.

The Thursday morning clinic will be starting on Thursday July 15, 2021 from 8:30 to 10:00 am. This is a high-performance session providing participants with tennis tactics and technical skills. The fee for this clinic is \$15 per person. Please register through the Court Booking System in the “Events” tab.

POLICY UPDATE – JUNIORS

The policy around junior bookings and play has been revised. Junior court booking is limited to 24 hours (1 day) advance booking. No court may be booked more than 1 day in advance where a junior is one or more of the players.

The requirement for a parent or guardian of a junior to be present on the court has also been clarified.

The policy can be found in Section 8.3.1 of the QPTC policies.

CLUB INCIDENTS

As part of our responsibility to members as well as our insurance carrier, any incidents causing physical injury to members during play or at the club, is to be reported immediately to a member of the Executive where a staff person is not on duty.

Where a staff person is not on duty, we ask that one of the players who were on the court with the injured person send an email to president@quakerparktennis.ca. The executive will follow up with both the injured person as well as the other players involved.

MIXED DOUBLES LEAGUE

Registration for Session #2 (August 12 – Sept 16) is now open. There is a limit of 12 teams, please register early. If you wish to simply be a sub, please email doubles@quakerparktennis.ca.

MEMBER INFORMATION PACKAGES

We continue to have a number of member packages containing the shoe tags which are required to be visible while at the club. Please ensure that you have picked up your information package and that you display your tag either on your tennis shoes or bags while on the court.

PARKING

Just a quick reminder that staffing levels at KCU will be increasing shortly and our landlord will be closely monitoring the parking situation. As you may be aware, we have only 11 parking spots adjacent to the courts. Members are encouraged to park on the other side of the bridge or on Cricket Place.
